Full Day Praslin & La Digue by Boat

📍 Praslin + La
Digue

Morning — Boat Journey to Praslin

Today is the crown jewel of your Seychelles honeymoon — a full-day island-hopping excursion by boat to two of the most breathtaking islands in the archipelago: Praslin and La Digue. Your tour guide accompanies you throughout the day, providing commentary, history and island knowledge.

- Early pick-up from Coral Strand Hotel for transfer to the jetty for your boat departure.
- Boat crossing to Praslin Island (approximately 45–60 minutes) — enjoy the open Indian Ocean views as you approach this lush, granite island.
- Vallée de Mai Nature Reserve (exterior pass-by with guided explanation) — a UNESCO World Heritage Site and one of only two places on earth where the legendary Coco de Mer palm grows wild. Your guide will provide a fascinating explanation of this prehistoric forest and its iconic fruit — the largest seed in the plant kingdom — without requiring an entrance fee on this itinerary.
- Anse Lazio Beach, Praslin — widely considered one of the most beautiful beaches in the world. Powdery white sand, crystalline turquoise water framed by giant granite boulders and takamaka trees. Enjoy time to swim, relax and simply absorb the extraordinary beauty together.

Afternoon — La Digue, the Island Time Forgot

Board the boat for the short crossing to La Digue — a magical island where ox-carts and bicycles replace cars, and life moves at its own peaceful pace. La Digue is the most romantic island in the Seychelles.

- Arrive La Digue and proceed to L'Union Estate — entrance fee included. This historic estate is home to giant Aldabra tortoises, a traditional vanilla plantation, a copra factory, and the iconic granite rocky backdrop that has made Seychelles famous in international photography.
- Anse Source d'Argent (accessible from L'Union Estate) — arguably the most photographed beach in the world, with its extraordinary pink-tinged sand, crystal lagoon and iconic weathered granite rock formations. Perfect for couples' photographs in a setting of incomparable natural beauty.
- Lunch included (drinks excluded) — enjoy a local Creole lunch on La Digue.
